relax by Machiavel
What's the matter doctor
I'm always in a hurry
What's the matter doctor
Do you think I'm crazy?
What's the matter doctor
People tell me I may be
What's the matter doctor
Is there hope to save me?

I don't understand
what's happened to me
Everyday I'm under stress
Think I really could be relaxed
Floating out on emptiness

What's the matter doctor
I'm always in a hurry
What's the matter doctor
Please tell me the truth
What's the matter doctor
Please give me the cure
What's the matter doctor
Don't say it's no use!
I don't understand
what's happened to me
Everyday I'm under stress
Think I really could be relaxed
Floating out on emptiness
