ronny runs by Machiavel
He runs, until the morning comes,
he got a fever inside, but he still goes on

Ronnie runs
Ronnie runs

To stay alive, he kills his days,
until his needs will be wasted, in the wrong way

Ronnie runs
Ronnie runs

Time pushed him away in a never ending day
Time pushed him away, he became his prey

In the race, killing the days,
burning everything around, that he couldn't get

Ronnie runs
Ronnie runs

And all the waste, drinking over run,
all he does is fall in a dream, a never-ending day

Ronnie runs
Ronnie runs

Time, pushed him away, to a never ending play
Time, pushed him away, he became his prey
Do you see, do you feel time is eating you
Do you see, do you feel time is killing you

SOLO

Time, pushed him away, to a never ending day
Time, broke him away, he became his prey
Do you see, do you feel time is eating you
Do you see, do you feel time is killing you
Do you see, do you feel time is eating you
Do you see, do you feel time is killing you
