rumours by Machiavel
(Thierry Plas, Roland De Greef, Marc Ysaye,
Hervé Borbé, Mario Guccio)

Don't believe all rumours you hear, do you think that it
's true !
Don't believe the ones who lie, how do you know what's
real ?

Words to deal words to steal
Words can knock you down and drag you into the dark
It doesn't tell the truth it's feeding the confusion under
spot lights

If you hear bad things about your friends, do you think
they're true !
When you're watching the news, all you see, all you
hear, seems the rule!

Words to deal words to steal
Words can knock you down and drag you into the dark
It doesn't tell the truth it's feeding the confusion

Too many untrue stories
Covered up in mud
Too many false impressions
Feeds your head with lies
Too many untrue stories
Covered up in mud
Too many false impressions

Slandering your friends around you, they give you a
reason to shout
Enemies are behind you around, watching your life

Words to deal words to steal
Words can knock you down and drag you into the dark
It doesn't tell the truth it's feeding the confusion

Too many untrue stories
Covered up in mud

Too many false impressions
Feeds your head with lies
