save my soul by Machiavel

Save my soul
Save me from the lies inside
You've always been a million miles away

Save my soul
I don't wanna loose again
Where did you go you when things went wrong for me.

All you wanted was an end
All I needed was a friend

Don't you know I'm still afraid
Don't you know I'grow with age
Don't you know I'm still afraid
Don't you know we grow with age
Save my soul

Do we go on

I won't fight again

Do we go on

Million miles away
All you wanted was an end
All I needed was a friend

Don't you know I'm still afraid
Don't you know I' grow with age
Don't you know I'm still afraid
Don't you know we grow with age
Save my soul.

All you wanted was an end
All I needed was a friend

Don't you know I'm still afraid

Don't you know I grow with age
Don't you know I'm still afraid
Don't you know we grow with age.
Save my soul

All you wanted was an end
All I needed was a friend

Don't you know I m still afraid
Don't you know I grow with age
Don't you know I'm still afraid
Don't you know we grow with age

Save my soul
Save my soul
Save my soul
