she's a snake by Machiavel
When she got no name, she is easy to find,
as desire inside the game, the sweet sensation is blind

When the reason is out of frame, it's the poison's fun

Naked, she's a snake on the floor
Naked, naked; would like to beg for more

I can reach everything, anything I want
Coz the gleam in her eyes tells me all she wants
She is naked; she is as a snake on the ground.

The pleasure without rules,
the luxury is inside it, it makes me feel cool, till I lose
my last sigh

When the reason is out of frame, it's the poison's fun

Naked, she's a snake on the floor
Naked, naked; would like to beg for more

I can reach all the dreams, anything I want
Till a scream in her eyes asks me all she wants
She is naked; rubbing on the ground.

The best enemy I ever had,
all my body knows her, so when I feel so bad, she
never saw the blurs

When the reason is out of frame, it's the poison's fun

Naked, she's a snake on the floor
Naked, naked; would like to beg for more

I can reach everything, anything I want
Coz the tears in her eyes tells me all she wants

Naked, she's a snake on the floor
Naked, naked; would like to beg for more
Naked, she's a snake on the floor

Naked, naked; would like to beg for more
Naked, she's a snake on the floor
Naked, naked; would like to beg for more
