something by Machiavel
(Thierry Plas, Roland De Greef, Marc Ysaye,
Hervé Borbé, Mario Guccio)

Something hurts me
Something kills me
Something burns me
Little by little

Something's sliding
Something's falling
Something's brighting
Deep inside my soul

Something scares me
Something blinds me
Something breaks me
I'm falling on my knees

Something's going
Something's coming
Something's tripping
I'm losing control

Something hurts me
Something kills me
Something burns me
And more and more
It 's around around and round
