town to town by Machiavel  
(Mario Guccio - Marc Ysaye - Thierry Plas -  
Roland de Greef - Luc O)

All our gear rides on the truck  
Miles and miles, livin'on luck  
I'm movin' on from town to town  
Another train, another plane  
Another place, it 's always the same  
Just movin' on from town to town

Pick up my guitar and play again  
Gigs are different but the move's the same, oh yeah !  
Playin'hard all over again  
Gigs are different but the move's the same, oh yeah !

Movin'on down the line  
It 's a hot night, hot night  
Let 's take another line  
It 's a long night, long night  
No time for getting tired  
It 's a hard night, hard night  
Movin' on from town to town  
It 's a beautiful life

Sweet girl you take me for a rest  
I might not even remember your name  
I'm movin' on from town to town  
I'm sorry girl, you 've done your best  
But I'll be leavin' just like I came  
I'm movin'on from town to town
