your shoulder by Machiavel
I feel the intruder
And his will over you
Someone that we could blindly trust
But he came around

I don't know where I was
I don't know who I am
I hurt myself, watching you lying
Without emotions around

I need your shoulder
And what more did you need
Don't show me colder
Don't burn me like a memory

I smell the intruder
His eyes upon you
His hands are finding the way out
Erasing all about you

I need your shoulder
And what more did you need
Don't show me colder
Don't burn me like a memory

I need your shoulder
And what more did you need
Don't show me colder
Don't burn me like a memory

Too hard to believe
That something's gonna change
But I'm not dying , I need to live
Give our memories a chance

I need your shoulder
And what more did you need
Don't show me colder
Don't burn me like a memory
