"Having Fun"

Today is going to be the day
You will forget all your trouble.
I'll give you a chance
For one day and one night.
I know that you got your reasons,
It's not my problem,
The only thing I want,
Is to forgive it all right now.
So take your problems and just,
Put them away, put them away, put them away,
Take your problems and just,
Put them away, put them away, put them away.

And it's, one day, one night,
Fantasy turns real life for you.
You'll do everything you want,
It's a special day until the break of dawn
You're just, havin' fun, havin' fun, havin' fun.
You're havin' fun, havin' fun, havin' fun.
You're havin' fun, havin' fun, havin' fun.

The world today is only wrapped in war
I give you the chance to forget it, forget it.
Come to the place I told you,
Come and take pleasure that's what I want for you.
Then it's one day and you'll be back to your shame
One night and you'll be back to your blaming games
Be together, no tomorrow, turn seconds into hours,
baby, let's go

And it's, one day, one night,
Fantasy turns real life for you.
You'll do everything you want,
It's a special day until the break of dawn
You're just, havin' fun, havin' fun, havin' fun.
You're havin' fun, havin' fun, havin' fun.
You're havin' fun, havin' fun, havin' fun.

One day, one night, you wanna day wanna night [x3]
Wanna day, wanna night

And it's, one day, one night,
Fantasy turns real life for you.
You'll do everything you want,
It's a special day until the break of dawn
You're just, havin' fun, havin' fun, havin' fun.
You're havin' fun, havin' fun, havin' fun.
You're havin' fun, havin' fun, havin' fun.
You're just, havin' fun, havin' fun, havin' fun.
You're just, havin' fun, havin' fun, havin' fun.
Havin' fun, havin' fun, havin' fun.
Havin' fun, havin' fun, havin' fun.
