She came to this town, no money, not a pound.  
Illegal traveller she is a criminal lover.  
She's lost never found, took to the underground  
When I saw her the first time, she made me lose my  
mind.

And I don't really want to fall in love again  
'Cause with that type of girl you've got to understand  
that  
She'll never be your friend, she'll leave you in the end  
lost in pain.

Because she's here to make the money,  
She knows that she's pretty  
She's a heartbreaker, a criminal lover

And she's here to make the money,  
She knows that she's pretty  
She's a heartbreaker, a criminal lover

She's a love, a love, a love  
She's a love, a love, a love machine  
She's a love, a love, a love  
A love, a love, a love machine.

She works by the night yet she's at peace with her heart  
She has to fight to survive, police can always arrive.  
But she don't lose her cool when they're passing by,  
She's not a fool she'll use the money to get high.

And I don't really want to fall in love again  
'Cause with that type of girl you've got to understand  
that  
She'll never be your friend, she'll leave you in the end  
lost in pain.

Because she's here to make the money,  
She knows that she's pretty  
She's a heartbreaker, a criminal lover

And she's here to make the money,

She knows that she's pretty  
She's a heartbreaker, a criminal lover

She's a love, a love, a love  
She's a love, a love, a love machine  
She's a love, a love, a love  
A love, a love, a love machine.

Situation's not that clear I think  
That she may disappear  
So I'm searching the town to save her body from crime  
Yeah she's a dangerous one

She's a love, a love, a love  
She's a love, a love, a love machine  
She's a love, a love, a love  
A love, a love, a love machine.
