Hello you I'm back again, it's time to talk with you again  
I've travelled the world and now the journey's over, is  
over.

I've got to tell you what I've heard  
I've got to tell you what I've smelled  
I've got to tell you what I've seen  
What I've seen  
What I've seen  
What I've seen

I've seen the world and it's no longer the same  
Deathbed of pollution and the world is dying

And I hear the world shouting  
And I hear the world's shout  
[x2]

Everywhere and all the time,  
Man destroying everything,  
Looking only for his money,  
For his money

For every tree chopped to the ground  
Another house is shooting up  
Now we'll never hear the sound  
Of the songbird's joyous ballad  
Joyous ballad,  
Joyous ballad,  
Joyous ballad

I've seen the world and it's no longer the same  
Deathbed of pollution and the world is dying

And I hear the world shouting  
And I hear the world's shout  
[x4]

I hear the world shouting  
I hear the world shouting  
I hear the world

I hear the world

I hear the world shouting

I hear the world shouting

I hear the world
