"Smile"

It's crazy, I don't know what is happening to me
I feel as if a tragedy has befallen my life
And now I'm crying

Smile, and baby just a smile, smile
Smile, and baby just a smile, smile

I feel alone but I'd love to be more and more on my
own,
Go out and walk for a while and cry; listen to some of
your songs.

Smile, and baby just a smile, smile
And smile, and baby just a smile, smile

I won't get married, or at least I'll think of you everyday
'Cause I won't love someone else that's for sure - what
did you say?
[x4]

I won't get married, or at least I'll think of you everyday
'Cause I won't love someone else that's for sure

So smile, smile
