You're sweeter than the honey that the bees make
Soul sister, you're brown sugar
Sweeter than the icing on the best cake
Soul sister, you're brown sugar

I was in the dark, but now I see
What was always in front of me
I was always proud
But now I'm sayin' it loud

Keep on givin' it to me

Love and affection to the bone, to the bone
Soul sister, you're brown sugar
Keep on sockin' it to me all night long
Soul sister, you're brown sugar

Girl, you're always there with your man
It's 'bout time he took your hand
I wanna show you
'Cause I can't stand the blow

Keep on givin' it to me

Somebody said what's in the dark
Will surely come to the light
Now your days are brighter
And your burden's lighter

And the whole world knows you out-of-sight

Woo lord

Love and affection to the bone, to the bone
Soul sister, you're brown sugar
Keep on sockin' it to me all night long
Soul sister, you're brown sugar

Girl, you're always out there with your man
It's about time he took your hand
I wanna show you
'Cause I can't stand the blow

Keep on givin' it to me

Keep on givin' me brown sugar
I got to have it ah
I just got to have brown sugar
You know what baby huh
I can't help but want brown sugar
You're brown to the bone
Don't you know I need brown sugar
Oh lord yeah
I just got to have brown sugar
You sweeter than icin' on a cake
I just got to have brown sugar
I got to have it..
