I been watchin' you for days now, baby
I just love your sexy ways now, baby
You know my love will never stop now, baby
Just put your lovin' in my box, baby

Wrap it up, I'll take it
Wrap it up, I'll take it

No more will I shop around, baby
I know I got the best thing in town, baby
I've seen all I wanna see, baby
Bring your lovin' straight to me now, baby

Wrap it up, I'll take it
Wrap it up, I'll take it
Wrap it up, I'll take it
Wrap it up, I'll take it

Good God Almighty, come on!
Ooh, I'm gonna treat you like the queen you are
Bring you sweet things from my candy jar
'Cause you got treats you ain't never used
Give it, give it to me, it won't get abused

I've been watchin' you for days now, baby
I just love your sexy ways, oh baby
You know my love will never stop, baby
Just put your lovin' in my box, ooh baby

Wrap it up, I'll take it
Wrap it up, I'll take it
Wrap it up, yeah, I'll take it
Wrap it up, ooh!
(Wrap, wrap, wrap, wrap)

Wrap it up, I'll take it
Wrap it up, oh, I'll take it
Ooh! Wrap it up, I'll take it, yeah
Wrap it up, I'll take it
