I can feel the magic floating in the air
Being with you gets me that way
I watch the sunlight dance across your face and I've
Never been this swept away

All my thoughts just seem to settle on the breeze
When I'm lying wrapped up in your arms
The whole world just fades away the only thing I hear
Is the beating of your heart

'Cause I can feel you breathe, it's washing over me
Suddenly I'm melting into you
There's nothing left to prove, baby all we need is just to
be
Caught up in the touch, the slow and steady rush
Baby, isn't that the way that love's supposed to be
I can feel you breathe
Just breathe

In a way I know my heart is waking up
As all the walls come tumbling down
Closer than I've ever felt before and I know and you
know
There's no need for words right now

'Cause I can feel you breathe, it's washing over me
Suddenly I'm melting into you
There's nothing left to prove, baby all we need is just to
be
Caught up in the touch, the slow and steady rush
Baby, isn't that the way that love's supposed to be
I can feel you breathe
Just breathe

Caught up in the touch, the slow and steady rush
Baby, isn't that the way that love's supposed to be
I can feel you breathe
Just breathe

I can feel the magic floating in the air
Being with you gets me that way
