We said we'd walk together baby come what may  
That come the twilight should we lose our way  
If as we're walking a hand should slip free  
I'll wait for you  
And should I fall behind  
Wait for me

We swore we'd travel together darlin' side by side  
We'd help each other stay in stride  
Each lover's steps fall so differently  
So I'll wait for you  
And should I fall behind  
Wait for me

Now everyone dreams of a love lasting and true  
But you and I know what this world can do  
So lets make our steps clear that the other may see  
And I'll wait for you  
And Should I fall behind  
Wait for me

Now there's a beautiful river in the valley ahead  
And there 'neath the oak's bough, soon we will be wed  
Should we lose each other  
In the shadow of the evening trees  
Oh, I'll wait for you  
And should I fall behind wait for me  
Darlin' I'll wait for you  
And should I fall behind  
Wait for me  
Wait for me  
(If I should fall behind) Wait for me  
Wait for me
