Didn't I make you feel like you were the only man?  
And didn't I give you everything that a woman possibly  
can?  
Each time I tell myself I think I've had enough  
Well, I'm gonna show you baby that a woman can be  
tough  
So come on, come on, come on and

Take it  
Take another little piece of my heart now baby  
Take another little piece of my heart  
I know you will  
Break it  
Break another little piece of my heart now baby  
'Cause you know you got it if it makes you feel good, so  
good

You're out on the street lookin' good baby  
Deep down in your heart you know that it ain't right  
No you'll never hear me cryin' you know I cry all the  
time  
Each time I tell myself that I can't stand the pain  
You hold me in your arms and I start singin' once again  
So come on, come on, come on and

Take it  
Take another little piece of my heart now baby  
Take another little piece of my heart  
I know you will  
Break it  
Break another little piece of my heart now baby  
'Cause you know you got it if it makes you feel good, so  
good

Each time I tell myself that I can't stand the pain  
You hold me in your arms and I start singin' once again  
So come on, come on, come on and

Take it  
Take another little piece of my heart now baby  
Won't you just take it

Take another little piece of my heart  
I know you will  
And you will break it  
Break another little piece of my heart now baby  
'Cause you know you got it if it makes you feel good, so  
good  
Take another little piece of my heart now baby  
Won't you just take it  
Take another little piece of my heart  
I know you will  
And you will break it  
Break another little piece of my heart now baby
