It's such a mystery
How you found something in me
That I never knew was there
But you uncovered it so easily
You turned me like a season
And I began to change
You wrapped your arms around me
Now I've been the same cause

That's how love works
That's how love moves
Like a river running through you
Sometimes it lifts you as high as heaven
It consumes you
That's a given
That's how love moves

I've seen walls that could never be broken
Come tumbling down
I've heard the voice of love calling
Without making a sound
See I was touched by an angel
The day you took my hand
And you know your a miracle
That makes me everything I am, but

That's how love works
That's how love moves
Like a river running through you
Sometimes it lifts you as high as heaven
It consumes you
But that's a given
That's how love moves

Sometimes it's just a whisper
Sometimes it's a storm
Sometimes it reaches forever
With it's everlasting arms
(That's how love moves)
That's how love moves
Like a river running through you

Sometimes it lifts you as high as heaven
It consumes you
(That's how love moves)
That's how love moves
Like a river running through you
Sometimes it lifts you as high as heaven
It consumes you
But that's a given
That's how love moves...
