Ain't got no money
No place to sleep
No one has ever been down as me
I'm just a stranger trouble at my feet
But through all my trials
It occurs to me

There's only one (there's only one)
There's only one (there's only one)
There's only one thing that matters
It's God's love

Now I could worry
About what's ahead
But I keep thinking
What Jesus said
There is a place
That I can go
And there'll be a face
I'll surely know

'Cause there's only one (there's only one)
There's only one (there's only one)
There's only one thing that matters
It's God's love

Well there's only one (there's only one)
There's only one (there's only one)
There's only one thing that matters
It's God's love

Yeah there's only one (there's only one)
There's only one (there's only one)
There's only one thing that matters
It's God's love
Yeah there's only one thing matters
It's God's love
