I've got a tiger by the tail  
It's plain to see  
I won't be much when you get through with me  
Well, I'm a losing weight and a turnin' mighty pale  
Looks like I've got a tiger by the tail

Well, I thought the day I met you  
You were meek as a lamb  
Just the kind to make my dreams and plans  
But now the pace we're livin'  
Takes the wind from my sail  
And it looks like I've got a tiger by the tail

I've got a tiger by the tail  
It's plain to see  
I won't be much when you get through with me  
Well, I'm a losing weight and a turnin' mighty pale  
Looks like I've got a tiger by the tail

Well every night you drag me where  
The bright lights are found  
There ain't no way to slow you down  
I'm about as helpless as a leaf in a gale  
And it looks like I've got a tiger by the tail

I've got a tiger by the tail  
It's plain to see  
I won't be much when you get through with me  
Well, I'm a losing weight and a turnin' mighty pale  
Looks like I've got a tiger by the tail  
Well looks like I've got a tiger by the tail
