Thought we had a good thing baby  
You pulled the wool over my eyes  
I should've seen it comin' baby  
Now all I see is a cool love dying  
Honey I don't want to hold you down  
Why you gotta own the lock and the key..tell me baby  
A good thing don't just come around  
And you can't have it for free..no not me

You've been a river of give  
And an ocean of take  
Darlin' for heaven's sake

Actin' nice and bein' real mean  
Well you hold me tight then you turn your back  
Who could deal with that  
You say you wanna work it out  
Well tell me what's in it for me  
Up and down and in between  
Actin' nice and bein' real mean  
Well you hold me tight then you turn your back

Who could deal with that  
You say you wanna work it out  
Tell me what's in it for me

You've been a river of give  
And an ocean of take  
Darlin' for heaven's sake

You got me up and down and in between  
Actin' nice and bein' real mean  
Well you hold me tight then you turn your back  
Who could deal with that
