They said change your clothes
She said no I won't
They said comb your hair
She said some kids don't
And her parents' dreams went up in smoke

They said you can't leave
She said yes I will
They said don't see him
She said his name is Bill
She's on a roll and it's all uphill

She's a wild one
With an angel's face
She's a woman-child
In a state of grace
When she was three years old on her daddy's knee
He said you can be anything you want to be
She's a wild one runnin' free

She loves Rock and Roll
They said it's Satan's tongue
She thinks they're too old
They think she is too young
And the battle lines are clearly drawn

She's a wild one
With an angel's face
She's a woman-child
In a state of grace
When she was three years old on her daddy's knee
He said you can be anything you want to be
She's a wild one runnin' free

She has future plans and dreams at night
When they tell her life is hard she says that's all right

She's a wild one
With an angel's face
She's a woman-child
In a state of grace

When she was three years old on her daddy's knee
He said you can be anything you want to be
She's a wild one
With an angel's face
She's a woman-child
In a state of grace
When she was three years old on her daddy's knee
He said you can be anything you want to be
She's a wild one runnin' free
