A little girl, a little small for her age
A little too slow for the field day race
Momma's waiting at the finish line
And wipes the teardrops from her eyes
She says, "'You did just fine honey, that's okay
Sometimes life's just that way
You're gonna lose the race from time to time
But you're always gonna find

You can't lose me
Bet your life
I am here and I will always be
Just a wish away
Wherever you go
No matter how far
My love is where you are
You won't be lost if you believe
You can't lose me""

Momma used to say, "'Girl it won't be long
'Til it's time to go out on your own
Chase your dreams, find your place in life
I know you'll do just fine""
When that day finally came
There were things she needed to but could not say
So I whispered softly as I wiped
The tears from Momma's eyes

You can't lose me
Bet your life
I am here and I will always be
Just a wish away
Wherever I go
No matter how far
My love is where you are
You won't be lost if you believe
You can't lose me

Wherever I go
No matter how far
My love is where you are

You won't be lost if you believe
You can't lose me

No, you can't lose me
Wherever I go
(No matter how far)
My love is where you are
You can't lose me
No, you can't lose me
