Angel on the street, with my headphones on  
Going to wherever I'm going  
Now I'm on my way, can't nobody stop me  
From getting to my destination

Jammin' in the club with my ravehead on  
I'm alone with the music, I'm flowing  
Lost in the lights, shadows darken my view  
I don't mind, oh

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop  
We ain't ever gon' stop

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop  
You don't know what we got

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop  
We ain't ever gon' stop

We don't give a damn about what you say

Jammin' in the club with my ravehead on  
I'm alone with the music, I'm flowing  
Lost in the lights, shadows darken my view  
I don't mind, oh

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop  
We ain't ever gon' stop

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop  
You don't know what we got

We don't give a damn about what you say

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop

We ain't ever gon' stop

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop  
You don't know what we got

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop  
We ain't ever gon' stop

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop  
You don't know what we got

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop  
We ain't ever gon' stop

We gon' keep it going 'til the beat dun drop  
'Til the beat dun drop  
You don't know what we got

Drop, drop, drop...
