Some say I'm a dancer, some say I'm a...  
But guess what? We gonna show them all can dance

Chorus: (x2)  
Dance... even far  
Whether you walk, or drive your in the car  
Dance for peace and don't promote the war  
... and dance the superstar

To the left, to the right...  
... will you look at that?  
If I want you bring them  
Carry it away, it's part the time  
Let's slip away...  
If you're better than them, break them all  
Show them you are the boss, skip them all  
Party with the girls...

Chorus: (x2)  
Dance... even far  
Whether you walk, or drive your in the car  
Dance for peace and don't promote the war  
... and dance the superstar

Full blast... fast  
Quit them all, don't sit  
... that I know much of the floor  
If you know you're...  
You like to dance and more and more...  
Prove yourself, come settle the score...

Chorus: (x2)  
Dance... even far  
Whether you walk, or drive your in the car  
Dance for peace and don't promote the war  
... and dance the superstar

To the left, to the right, what...  
Eyes for...  
What you look at that?  
If I want them, you bring them, carry it away!

It's part the time  
Let's slip away  
If you're not all for dance  
Clip dem out!  
If you're better than them, rip them all  
Show them you are the boss, skip the mode  
Party with the girls...

Chorus: (x3)  
Dance... even far  
Whether you walk, or drive your in the car  
Dance for peace and don't promote the war  
... and dance the superstar
