Making up with you  
Sealed with a kiss  
On my lips

Making love to you  
Holding nothing back  
I miss that

Do you ever think about  
Do you think about us?  
What we may have lost  
And do you ever wonder why?  
Why we didnt try  
Just a little harder

Tell me  
Why did you have to leave?  
Lately  
It's been getting so hard to breathe  
I broke down but I'll turn it around  
So tell me  
So tell me

Straring at your smile  
And your eyes that never lie  
Made it hard to say goodbye

Now I'm staring at the walls  
You're alone inside my head  
I wish we could say what we wasn't said
