The first time I saw you I knew
I knew I luv U coz my heart stopped
The first time I hear you I knew
I knew I luv u coz my heart stopped

Coz' I la la la la la
Love You!

Love can make U feel so funny
No house no car not even money
Will make me feel the way
What I'm really tryin to say
I can't live another day
Without You oh without You
The first time I kiss U I knew
I knew I had U coz' your heart stopped
The first time I miss u I knew
I knew I never wanna leave you

Coz' I la la la la la
Love You!

Because I...la la la
Love You! love You!
