[Intro/Chorus: Cee-lo]

It's Just The Same Shit Different Day  
We Pretend To Work While They Pretend To Pay  
They Dreaming All Day After Day

Every Minute Every Hour That I'm Spending Awake  
Awake

[Verse 1: Mayday]

New Collard Green Dreams Roll It Up And Blow Steam  
Clocks Ticking Pops Tripping Different Day New  
Scheme  
No Job And Rents Due And I Have Is Hope Saved  
And If I Fail Man Oh Well Atleast I Got These Ropes  
Made  
Suicide Suicide Someone Read That Note I Left  
I'm Just Trying To Stay Afloat But I Could Barely Hold My  
Breath  
I'm Sick Of Being Stinking Rich  
Why Should I Think Otherwise We Just Getting Over  
There  
For We Are Hardly Sober So I Think I Need A Shot  
Throw Some Green Couple Gin I Will Pick This Fucking  
Lock  
If You Don't Let My People In  
Not A Burglar Simply Trying To Get Back What You  
Stole From Us  
Triple Ass Pop A pill And You Think You Still Cannot Roll  
With Us  
Fuck You Very Much Of Course  
Can't Wait To Show My Supervisor When I'm Up In  
Source  
Oh You Can't Feel My Vibe Bitch Turn Your Faders Up  
They Selling Dreams Wanna Buy But I Ain't Made Of  
Thug?

[Chorus: Cee-Lo]

It's Just The Same Shit Different Day  
We Pretend To Work While They Pretend To Pay  
They Dreaming All Day After Day  
Every Minute Every Hour That I'm Spending Awake

It's Just The Same Shit Different Day  
We Pretend To Work While They Pretend To Pay  
They Dreaming All Day After Day  
Every Minute Every Hour That I'm Spending Awake  
Awake

[Verse 2: GhostWridah]

Ok I Wake Up With This Feeling  
That It's The Same Season  
And The World Is Runned Out by Demons  
I Got You Babe I'm Bleeding  
And For No Reason Babys Head Been Spinning Out My  
Ceiling  
Transpire my Pains Plotting To Murder Me  
The Games Frying I'm Play Calling Emergency  
This Record Label Things A Joke Cause I'm Broke  
This Used To Be Upon Coke For The Fact You Never  
Heard Of Me  
I'm Wa-Wa-Walking Down The Grocery Aisle  
Trying My Hardest Not To Work Or Rock A Broken Smile  
The Supervisors Riding On Me With Some Open Violet  
And Getting Closer Now Trying To Hold Me Down  
I'm Aching And my Lazy Friend Ain't Been Making Ends  
This Wages Make Believe But I Ain't Here To Play  
Pretend  
I've Had Enough But You'll Never Hear Me Say When  
I Flew By In and you'll Never See This Day End

[Chorus: Cee-Lo]

It's Just The Same Shit Different Day  
We Pretend To Work While They Pretend To Pay  
They Dreaming All Day After Day  
Every Minute Every Hour That I'm Spending Awake  
It's Just The Same Shit Different Day  
We Pretend To Work While They Pretend To Pay  
They Dreaming All Day After Day  
Every Minute Every Hour That I'm Spending Awake  
Awake

[Verse 3: Cee-Lo]

Yo Same Shit Different Day  
Twist It Light it Up And Watch It Fade  
I Don't Go [?] I'm Just A blair On The Stage  
Acting Outta Place And Bouncers Out The Cage  
Shake Your Cheddar And [?] In A Maze  
Round Pays But Motherfuckers Still Insist It's A Phase  
Even Thought Their Honies Know The Lyrics to The  
Throwaways  
I Ain't The Type To Rain On No Parade  
So I Let Them Hate That's The Type Of Shit That Start  
Up On Their Face

Pace Car Brick Star In The Bar  
Down And Out Gutter Rats Flicking Back Cigars  
Anyway And Everyway Even When Start  
That's Why We Open Books We Gonna Get A Chapter  
On Secret Art  
It's Deja Vu All Over Again Called Up Some Friends  
This Time I Flip Some Beats Added Some Strings  
Before The Haters Come And Get Me I Hope To Carry  
Some Suspends  
Mabye Cee Lo ON The Hook With A beat as Catchy As  
Shit  
Wait Ain't That What We Just Did?  
I Swear To God This Is Groundhog Day  
It Just Keeps Repeating And Repeating and Repeating  
When Will This Day End?  
I Don't Know Just Bring The President

[Verse 4: Mack Maine]

Fieces Turd My Words Are Obsurd  
I Blame It On The Hurb When I Got The Urge To Splurge  
I Just Splurge With The Nerds  
Put My Dick Up In Your Ear Like Fuck What You Heard  
I'm A Motherfucking Hip Hop Rockstar Gnarly  
Puffing On That Marley  
Cruising In A Harley  
Ziggy When I Get Jiggy  
Mobster Shotta Rasta Chopper  
Hopta Blacka  
Come Here Lil Mama  
I'll Be Your Big Papa  
Christopher Wallace  
Dissing On A Pilot  
Kicked Off A Plane I Admit It I'm Deranged  
Mack Maine It's So Lame  
Cypress Hill Should Be My Name  
Cause I'm Insane In Membrain  
I'm Lyrically Incorret  
Therefore I'm In Sex  
1 2 Mic Check  
Love Alcholic  
No Phone I Can't Call It  
Same Shit Different shit  
Mr. Green

[Chorus/Outro: Cee-Lo]

It's Just The Same Shit Different Day  
We Pretend To Work While They Pretend To Pay  
They Dreaming All Day After Day  
Every Minute Every Hour That I'm Spending Awake  
Different Day  
We Pretend To Work While They Pretend To Pay

They Dreaming All Day After Day  
Every Minute Every Hour That I'm Spending Awake  
Awake
