[Hook: Mack Maine]

Throw it back like you don't fit it like you owe me
If you bout that life then baby girl show me
Bitch I ball hard like Kobe or Ginobili
Bitch I ball hard like Kobe or Ginobili
Now bring it back like you don't fit it like you owe me
Bitch I ball hard like Kobe or Ginobili
If you bout that life then baby girl show me
This ain't a game shawty, no this ain't Shinobi

[Verse 1: Mack Maine]

Now what's the difference between a real fan and a
fake groupie?
A real fan will let you skeet on her fake boobies
I don't discriminate, now let me squeeze that fake
booty
Tryna to see you pop that thang like an oozie
Now back that ass up, I'm feelin like Juvi
I'm gon' run through that pussy and Tune gon' skate
through it
Excuse my french but I know Im the shit
Cause veery bitch I don' fucked can suck my dick
These hoes like mosquitos, suckin' dick and lickin' nuts
Callin' my phone from will call the pick tick is up
Why you bitchin and wildin'? I'm on fisherman's island
Setting it off while Queen Latifah kissing Madonna
I don't need no sipeena, but come and serve me baby
I know your listening, but I'mma still ask ya if you heard
me baby?
Now peep this, G shit, Rich Gang remix
Your bitch wavin' so much we get sea sick
Ya heard me?

[Hook]

[Verse 2: Rick Ross]

Ugh, I'm slidin' from my warda
Man down bang a pistol if you know me
Stand down this lil nigga think he sported
You turn around your in the presence of a Kobe
Rollie, and I'm stuntin' like I stole it

Holy, your favorite rapper want Holy
Facts, so you know a nigga spoke it
Stacks, got these Tru Religion pokin'
War, its time to go to war
Ridin', with my warriors from New Orleans
Slingin' nine, pray to the Lord'n
I'm gettin' mine, pray your gettin yours

[Verse 3: Ace Hood]

Tell shorty pop that pussy like a soda can
I like my pussy pinker than a summer tan
This Rollie here? mmmm 'bout a hundred grand
Keep it cool, got them shooters in that blue sedan
Act up, you might catch a movie role
I murk a nigga that write a verse in the studio
Yeah, I still be ballin' like a mother fucker
Money call, bitch I play the road runner
I'm talkin' Kobe and Ginobili
Blow like fifty thousand thats old me
Jeep on 28â€™s, I'm in the nose bleeds
Pull up they got the shock face emoji
Yeah, mother fucker where my manners at?
I'mma take your bitch every time you call she never
answer back
Prolly ridin' this dick
When I'm done, I pass her to my clique
We send her home when she finish this and you the
same nigga she kissed

[Hook]

[Verse 4: French Montana]

Me and Mack like Duncan and Ginobili
Mixing purple with the yellow call me Kobe
Let me touch it gon' and bust it open for me
And gon' flip it back like you owe me
And I don't care if you's was here way before me
Crunch time Derrick Speck show respect you gotta
show me
Don dotta, top shotta, ten commas
Top dollars, main bitch got high milage
I be stuntin' on them hoes like Bird and Wayne
Bloody red Mussan thats word to Game
Presidential Rollie, presidential suite nigga
Cash Money, Coke Boyz realest in the street nigga

[Verse 5: Busta Rhymes]

Bitch I ball like Kobe or Ginobili
What the fuck?
Every championship ring belong to me
I don't ever die, you know God look over me

Fuckin' bitches to the point I hurt they ovaries
I get to spread all over the planet, globally
Never give respect your only command, locally
I'm baggin' bitches like I'm shopping at the grocery
My niggas bust your head while I deal with diplomas
Hopefully you turn out to be what your suppose to be
End of Santa something sweeter than poetry
Make your broad twerk it twerk it watch her pose for me
You back to throwin' this money, hold my coat for me

[Outro: Make Maine]

I bring it back like you don't fit it like you owe me
Bitch I ball hard like Kobe or Ginobili
If you bout that life then baby girl show me
If you bout that life then baby girl show me
