There's no easy path to redemption
There's no easy way out of the trouble in your bones
And you're crumblin' like an old watchtower
You can see a way out but don't remember how to get
Home

I'm Savorin' Your Smile
Yeah, I'm Savorin' Your Smile

You stole the heart of so many lovers
In your kingdoms to come and your kingdoms past
And you're askin' me now why she had to go
I don't have the heart to tell you but I think I might
Know

I'm Savorin' Your Smile
Yeah, I'm Savorin' Your Smile

And you're tryin' to buy a one-way ticket back
You say it's the fault in the heart of every man
And we've been here before and I know we'll be here
Again
You gotta' move on, it's killin' you my friend

I'm savorin' your smile, savorin' your smile

I see you on the street in a future's day
And I almost pass you by, we're strangers again
Well it's clear to me now, some people never change
If you hurt me again it wouldn't feel the same

I'm Savorin' Your Smile
Yeah, I'm Savorin' Your Smile
Yeah, I'm Savorin' Your Smile
