I don't know where I'm goin'
But I got no reason to fear
I'm gonna roll with the changes
I'm gonna play it by ear

I'm improvisin' as I go along
I got no excuse if it all goes wrong
And if you're wonderin' how it feels
I'm only tryin' to keep it realâ€¦

I got my eye on the road
I got my hand on the wheel
I'm gonna keep on drivin'
'til the truth is revealed

I'm improvisin' as I go along
I got no excuse if it all goes wrong
And if you're wonderin' how it feels
I'm only tryin' to keep it realâ€¦

Alright
Gonna take it easy babe
We're takin' a ride to the moon tonight
Baby don't you worry

They say I'm a pretender
They say I'm a charlatan
Well you're never a beginner
How ya' ever gonna begin?
(how ya' gonna begin)

I'm improvisin' as I go along
I got no excuse if it all goes wrong
And if you're wonderin' how it feels
I'm only tryin' to keep it realâ€¦

I got no script I got no plan
And I'm just doin' the best I can
And if you're wonderin' how it feels
I'm only tryin' to keep it realâ€¦

Alright, that's right
Take it easy babe
We're takin' a ride to the moon tonight
Baby don't you worry
