Visit "[Amore](#)" on [MotoLyrics.com](http://MotoLyrics.com)

It's like the ocean baby  
You make me feel so sexy  
Love so understating  
For only you I'm waiting  
You turn me on  
My love is on and on and

Your touch it makes me crazy  
I feel your body and me  
It's like the ocean at sea  
My love is never ending  
You and me  
It's like a dream my baby

Amore,(can you give me all the love)  
Sexo (can you give me all the sex)  
Amore,(give it to me all night long)  
My love is on and on and on (turn me on and turn me  
on)  
Amore,(can you give me all the love)  
Sexo (can you give me all the sex)  
Amore,(give it to me all night long)  
My love is on and on and on (turn me on and turn me  
on)

It's like the wind beneath me  
The passion flows so freely  
Close to you I get free  
Your everything that I need  
I turn you on  
My love is on and on and

I feel it all in my knees  
And I know how good it will be  
It's like the wind beneath me  
My love is never ending  
You and me  
It's like a dream my baby

Amore,(can you give me all the love)  
Sexo (can you give me all the sex)

Amore,(give it to me all night long)  
My love is on and on and on (turn me on and turn me  
on)  
Amore,(can you give me all the love)  
Sexo (can you give me all the sex)  
Amore,(give it to me all night long)  
My love is on and on and on (turn me on and turn me  
on)

Feeling your body close to me  
All your moves make me go crazy

Amore,(can you give me all the love)  
Sexo (can you give me all the sex)  
Amore,(give it to me all night long)  
My love is on and on and on (turn me on and turn me  
on)  
Amore,(can you give me all the love)  
Sexo (can you give me all the sex)  
Amore,(give it to me all night long)  
My love is on and on and on (turn me on and turn me  
on)
