I know you're fed up
Like a lead up for us
All they talk about is
What is going down?
What's been messed up for us?
When I look around I see blue skies
I see butterflies for us

Listen to the sound and lose it
It's sweet music and dance with me
There is beauty in the world
So much beauty in the world
Always beauty in the world
So much beauty in the world
Shake your booty boys and girls for the beauty in the
world
Pick your diamond pick your pearl there is beauty in the
world
All together now

We need more lovin'
We need more money, they say
Change is gonna come
Like the weather
They say forever
They say
When they're in between
Notice the blue skies
Notice the butterflies
Notice me

Stop and smell the flowers
And lose it the sweet music and dance with me
There is beauty in the world
So much beauty in the world
Always beauty in the world
There is beauty in the world
Shake your booty boys and girls for the beauty in the
world
Pick your diamond pick your pearl there is beauty in the
world

All together now

Heya throw your hands up and holla
Throw your hands up and holla
When you don't know what to do
Don't know if you'll make it through
Remember god is giving you beauty in the world
So love (Beauty in the world)
Yeah love (Beauty in the world)

There is beauty in the world (Beauty in the world)
Beauty in the world (Beauty in the world)
Shake your booty boys and girls (Boys and Girls)
All the beauty in the world (Beauty in the world)
Pick your diamond pick your pearl (Pick your pearl)
There is beauty in the world (Beauty in the world)
All together now
Yeah love
Yeah love
Oh love
All together now

Hey baby when I'm looking at you
I know it's fact is true
There is hope for love
There is beauty in the world
Hey baby
Hey baby when I'm looking at you
I know this vibe is true
There's love
There's hope for love
There's beauty in the world
