Play a record by my favorite band
I like to hear my favorite song on the radio
So I call and request it on the radio
Tell the DJ spin on the LATEshow
Make a brother feel like I'm down at the disco
and we're gonna keep it goin like THIS THO
cause the DJ grab the record by the fist-full
by the crate-full and we grateful
when you hear the song from records that are tasteful
last night a DJ saved my life
cause that selection of the records he played
to the direction of the record we swayed
and all night thru the SESSION we stayed
cause you know you got me feelin
