I am the Strong, I am the Powerful  
A shall be Reverenced among men  
As I Possess the Earth  
The unfit shall Flee before me,  
The Iron Handed

I am the Mighty minded  
And I ride the Whirlwinds  
Serve and Suffer

Challenge the Wisdom  
The Soul of Envy I hold

I feed my Rage and live on Greed  
The Awareness of the Flesh drives me  
I take Pride in the Brilliance of Covet  
I breed the Death of Thousands

Wander a Bloody Path  
You are bewildered by the Stench of Fools  
Penitent Fools  
Longing for the Prince Of Slaves  
I will become Death  
Destroyer of the World
