Heres how the story goes
And everyone can relate
First time I came was when I masterbated
When I was eight
It was so great

Mmmmmm and when I was nine
My mumma caught me doing it all of the time
And I was K-I-S-S-I-N and playing doctors with my
boyfriend
When I was eleven

And then I slap a bitch when I was thirteen
Oh yeah, I slap a bitch
She hollared ohhhhh ahhhh
She like it like it how she slapped me back
She said ohhhhhh ahhhhh
She like it like it how she slapped me back

After college in my 20s
I had a reputation because I was having it plenty
I was premiscuois, till I fell in love
He tied me down, locked me up when I was 26

But still, yes I will slap a bitch
Yes I'm for real yes I will slap a bitch
She hollars ohhhh ahhhhh
She like it like it how she slapped me back
She said ohhhhh ahhhh
She like it like it how she slapped me back

Round round lets go round shake it like a chili hot
Cut it like a kill babe
You may think I'm crazy
I'm holding it cause baby give me something I can feel
All alone,
Give me what you want, bring it home to me

Cause I got to have it, got to have it
Ohh ohhh
And I will slap you bitch

She like it like it how she slapped me back
She said ohhhhhh ohhhh
She like it like it how she slapped me back
Ohhhhh ohhhhh
She like it like it how she slapped me back
She said ohhhh ohhhh
She like it like it how she slapped me back, back back

Oh just a little, just a little
And I will slap you bitch!
