{\*in quotes is children singing }

"Hey young world"  
[SR] Check 1-2, check 1-2  
"Hey young world"  
[SR] Check 1-2, check 1-2  
"Hey young world, young world"  
"Young world, young world"

[Macy Gray]  
This track here may cause concern  
For all the leaders- Why don't you listen and learn  
To love this happiness, once we're strong  
But to (society) even that's (turned wrong)  
Whhhhyyyyyyyyyyy!!  
Are we dumb-dummie and disrespect mommie and  
Whhhhyyyyyyyyyyy!!  
She put you on earth and loved you since birth and you

[Chorus]  
"Hey young world"  
[MG] The world is yours  
"Hey young world"  
[MG] The world is yours  
"Young world, young world"  
[MG] The world is yours  
"Young world, young world"  
[SR] Young world, young wo-ah-ah-rld

[Macy Gray]  
The world is a brainwashed kid (kid...) run wild  
Young little girls, already have a child  
Bad company and now you've been framed (been framed)  
Parents are hurtin, so hurted and ashamed  
Whhhhyyyyyyyyyyy!!  
Hey little kids don't follow these adults  
Whhhhyyyyyyyyyyy!!  
Don't be a fool, like those who ditch school, it's yours

[Chorus]

[Macy Gray]  
Hear that, hear that, accomplish things  
You'll see your under, and the trouble life brings  
To my teens, and all my youth  
Get on the limited and hold rocks too  
Listen, be strong and scream Whoopie-woo!!  
{\*pause\*}  
Go for yours cuz dreams come true  
You'll make your moomy so proud of you to and  
This is the message at the ruler Rick's school

[Slick Rick]  
Elders seen our wise ones grown  
Interest in what the kid learned 'bout  
Seen how the old spring turned out  
"Whaa-aa-aa-aaahh" Mmmm-mm-mm  
Knowin you can know safeguard self  
Put upon an exciting path  
You'll see a mans pride they'll have

[Chorus]

[Slick Rick]  
Don't discipline, lose soundly  
Kids that we have lose boundaries  
Grow into whats called curserates  
Like in-de-pen-dence, words case  
Inprisonment death, therefore  
NOT what we brought kids here for  
Morales and values of sort  
Should be the first thing in store

[Macy Gray]  
Believe it or not, God still shines on you  
He guides you and, he watched you as you grew  
Stay out of trouble, when it comes in sight  
Cuz a man never loses a fight in God's sig-i-ight!!!

[Chorus to fade]
