President's bullet-ridden body in the street  
Ride, Johnny ride  
Kennedy's shattered head hits concrete  
Ride, Johnny ride  
Johnny's wife is floundering  
Johnny's wife is scared  
Run, Jackie run  
Texas is an outrage when your husband is dead  
Texas is an outrage when they pick up his head  
Texas is the reason that the president's dead  
You gotta suck, suck, Jackie suck  
President's bullet ridden body in the street  
Ride, Johnny ride  
Kennedy's shattered head hits concrete  
Ride, Johnny ride  
Texas is an outrage when your husband is dead  
Texas is an outrage when they pick up his head  
Texas is the reason that the president's dead  
You gotta suck, suck, Jackie suck

Arise Jackie O, Jonathon of Kennedy  
Wil rise and be shot down  
The dirt's gonna be your dessert  
My cum be your life source  
And the only way to get it  
Is to suck or fuck  
Or be poor and devoid  
And masturbate me, masturbate me  
Then slurp it from your palm  
Like a dry desert soaking up rain  
Soaking up sun  
Like a dry desert soaking up rain  
Soaking up sun
