Who came along for the ride
Hey, you can't come inside
Do the citizens kneel for sex
It's Heaven cummin' on her chest
Hollywood Babylon
Hollywood Babylon
Flesh ancient monster design
Unless you wanna crop that size
Where did they come from tonight
Who came along for the ride
Hollywood Babylon
Hollywood Babylon
Who came along for the ride
Hey you, you can't come inside
When do the citizens kneel for sex
It's Heaven cummin' on her chest
Hollywood Babylon
Hollywood Babylon
Hollywood Babylon
Hollywood Babylon
