Too much horror business
Drivin' late at night
Psycho '78
My bathroom is new
You, you don't go in the bathroom with me
Psycho '78
12 o'clock, don't be late
All this horror business
My mirrors are black
You, you don't go in the bathroom with me
With you
I'll put a knife right in you
I'm warning you
I'll put a knife right in you
I'm warning you
I'll put a knife right in you
Too much horror business
Drivin' late at night
Psycho '78
My bathroom is new for you
You, you don't go in the bathroom with me
Psycho '78
I'm talkin' about
12 o'clock, don't be late
I say, all this horror business
My mirrors are black for you
You, you don't go in the bathroom with me
With you
I'll put a knife right in you
I'm warning you
I'll put a knife right in you
I'm warning you
I'll put a knife right in you
I'm warning you
I'll put a knife right in you
I'm warning you
You, nobody can do
What I can do, no
