Too much horror business, drivin' late at night
Psycho '78, my bathroom is new
You, you don't go in the bathroom with me
Psycho '78

12 o'clock, don't be late, all this horror business
My mirrors are black
You, you don't go in the bathroom with me
With you

I'll put a knife right in you
I'm warning you
I'll put a knife right in you

I'm warning you
I'll put a knife right in you

Too much horror business, drivin' late at night
Psycho '78, my bathroom is new
You, you don't go in the bathroom with me
Psycho '78

I'm talkin' about 12 o'clock, don't be late, I say, all this
horror business
My mirrors are black for you
You, you don't go in the bathroom with me
With you

I'll put a knife right in you
I'm warning you
I'll put a knife right in you
I'm warning you

I'll put a knife right in you
I'm warning you
I'll put a knife right in you
I'm warning you

You, nobody can do
What I can do, no
