Left hand power of the pure
The world will tremble at our command
Left hand power of the lords
Builds upon our destiny

Destiny, take this land
Take this land by the death of man
Left hand triumph of the will
The world will whimper in our wake

At war with the planets
At war with all mankind
We will change the face of this earth
As our lord commands

In our holy quest for supremacy
Be our holy crime
(Grail?)

Left hand power to take
What was ours from the day of birth
Left hand is grasping strong
It does not fear its destiny

At war with the planets
At war with all mankind
We will change the face of this earth
As our lord commands

In our holy quest for supremacy
Be our holy crime
(Grail?)

Left hand, destiny
Left hand

At war with the planets
At war with all mankind
We will change the face of this earth
As our lord commands

In our holy quest for supremacy

Be our holy crime
(Grail?)
