"She"

She walked out with empty arms

Machine gun in her hand

She is good

And she is bad

No one understands

She walked in in silence

Never spoke a word

She's got a rich daddy

She's her daddy's girl

She loves naked sin

He loves evil stare

She has lost control

They are growing old

She will hide in silence

Then her day will come

She was virgin vixen

She is on the run

She is on the run

She is on the run
