Well, we land in barren fields

On the Arizona plains

The insemination of little girls

In the middle of wet dreams

We are the angel mutants

The streets for us seduction

Our cause unjust and ancient

In this "B" film born invasion

Teenagers from Mars

And we don't care

Teenagers from Mars

And we don't care

Teenagers from Mars

And we don't care

Well, we've seen your 3-D movies

In violent abduction

We blast your mindless structure

Inferior connection

We take your weak resistance

Throw it in your face

We need no introduction

For mass annihilation

Teenagers from Mars

And we don't care

Teenagers from Mars

And we don't care

Teenagers from Mars

And we don't care

Well, we need no introduction

No Visas or Carte Blanche

Inhuman reproduction

We're here for what we want

We want, we need it, we'll take it

We want, we need it, we'll take it

We want, we need it, we'll take it

We want, we need it, we'll tak
