Unbridled, My horses run wild over your mind

Unbridled, My horses and run wild over time

A thing of beauty, Hooves to trample fools

Unbridled, Relentless screaming from my ribs

Unbridled, Relentless, My will to kick it up

Unbridled, Never satisfied

My will to kick it up, Unbridled

Unbridled, Relentless screaming from my ribs

Unbridled, Never satisfied, My will to kick it up

Unbridled, My horses run wild over your mind

Unbridled, My horses and run wild over time

Unbridled, Relentless screaming from my ribs

Unbridled, Never satisfied, Kick it up
