Verse 1:

Believing we are the crown of creation,
We're driven by unattainable goals.
A never ending desire for sensation,
In return we're selling our souls.

Pre-chorus:

At once so foolish, all so wicked and insane.
Draining our lifeblood till nothing remain.
As if a Being, God or Fiend, could reign?
(Mark my words), this is the beginning of the end.

Chorus 1:

Living in a dreamworld,
Where nothing is for real.
Life is just illusion,
When you're living in your dream.

Verse 2:

The ultimate institution of greed,
With an insatiable hunger for power.
We calmly ask them to please proceed,
Allowing us to be devoured.

Pre-chorus:

Aren't they all the same, just want to fill your head.
With promises you will be rewarded when you're
dead!
As if a Being, God or Fiend, could reign?
(We're closing in), to the beginning of the end.

Chorus 2:

Living in a dreamworld,
Where nothing is for real.
Life is just illusion,
When you're living in a dream.

Verse 3:

Believing we are the crown of creation,

We're driven by unattainable goals.
A never ending desire for sensation,
In return we are selling our souls.

Pre-chorus:

At once so foolish, all so wicked and insane.
Draining our lifeblood till nothing remain.
As if a Being, God or Fiend, could reign?
(Finally, now), this is the beginning of the end.

Chorus 3:

Living in a dreamworld,
Where nothing is for real.
Life is just illusion,
When you're living in a dream.

Living in a dreamworld,
Where nothing is for real.
Life is just illusion,
When you're living in a dream.
