I thought I was along was I'm typing to the ocean, I was
wrong, so wrong
I just left my .. and thinking I was the only one that
ocean want it
I was so damn
I listen to the boom say
That never foud no one like me

Then I heard the ocean
Say that's plany many official, see
Now I am stuck, drowning in a love...
Feels like I'm in the .. trying on
What do you do when the one you love only likes you ?
And what do you say to the one you like, knowing that
she loves you?
When you reand up..trying on
Love make me belive I could do almost anything like..
the waters of the ocean
But it was easy to be captain on a boat I knew exactly
were I was going
I listen to the boom say
That never foud no one like me
Then I heard the ocean
Say that's plany many official, see
Now I am stuck, drowning in a love...
Feels like I'm in the .. trying on
What do you do when the one you love only likes you ?
And what do you say to the one you like, knowing that
she loves you?
No, I never thought I'll be the one that waist lost
time(waist lost time)
Whatching sticking wile you love me, wile I make my
mind
Baby I, didn't plan on broking your heart tonight
You already know that's feel so right
What do you do when the one you love only likes you ?
And what do you say to the one you like, knowing that
she loves you?
What do you do when the one you love only likes you ?
And what do you say to the one you like, knowing that
she loves you?
