I'm stuck thinking of words to say  
Cause you made me think things I never  
Hold on this ain't right  
Trying my hardest to keep this feeling inside  
Wishing it was me  
I'm sick and tired of sitting here  
Watching him do you wrong like you ain't perfect  
And baby I don't think there's a right way for me to say  
In different circumstances I would make you my girl  
I never thought that I could feel this way for

My best friend's girlfriend  
Do you think that I'm wrong  
For wanting to love her  
And needing to hold her down  
I know that he ain't ready to do what I do  
(Hey) my best friend's girlfriend

You think you're right but you're wrong  
You should of left a long time ago  
You and me might never be  
I'd rather be alone if you're happy  
(Yeah) cause you deserve a soldier  
Someone who would work hard for your love  
You should know how that feels  
I'm wishing it was me  
I'm sick and tired of sitting here  
Watching him do you wrong like you ain't perfect  
And baby I don't think there's a right way for me to say  
In different circumstances I would make you my girl  
I never thought that I could feel this way for

My best friend's girlfriend

Do you think that I'm wrong  
For wanting to love her  
And needing to hold her down  
I know that he ain't ready to do what I do  
(Hey) my best friend's girlfriend

I'm stuck thinking that I'm the one

When I know it ain't right  
But how wrong can I be  
Knowing I'm better  
Then he could ever be for that girl  
What hurts is that she will never hear the words  
That I wish I could say to her

My best friend's girlfriend  
Do you think that I'm wrong  
For wanting to love her  
And needing to hold her down  
I know that he ain't ready to do what I do  
(Hey) my best friend's girlfriend

Oh oh  
My best friend's girlfriend  
Do you think that I'm wrong  
For wanting to love her  
And needing to hold her down  
I know that he ain't ready to do what I do  
(Hey) my best friend's girlfriend

I'm stuck thinking of words to say  
But I could never
