(Ey) if I could make the wrong turn right  
Maybe you'll be here tonight  
So let me know what's on your mind  
You would care enough to fight  
Guess I went too far this time  
You don't want me anymore  
Don't know how I make it through the night  
Knowing you ain't walking through my door

(Oh) I'm missing out on (it's your heart)  
Girl I've learnt just how to want what I need  
Girl it's you...

Girl I'm waiting here for ya  
Don't care how long it takes  
I'll do anything for ya  
Now more than ever  
Now more than ever  
Now more than ever  
I'm needing you here baby

Girl I understand you're mad  
You don't wanna take the chance  
You think I'll hurt your heart again  
But I'm telling you that I can't  
I know that I messed up this time  
You don't want me anymore  
(Oh) if I could borrow your heart  
And pay you back with more

(Oh) I'm missing out on (it's your heart)  
Girl I've learnt just how to want what I need  
Girl it's you...

Girl I'm waiting here for ya  
Don't care how long it takes  
I'll do anything for ya  
Now more than ever  
Now more than ever  
Now more than ever  
I'm needing you here baby

Girl it's you...  
Girl I'm waiting here for ya  
Don't care how long it takes  
I'll do anything for ya  
Now more than ever  
Now more than ever  
Now more than ever  
I'm needing you here baby [x2]
