When I'm here you cater to her more than you do me
I'm jealous truthfully I should be on my way
I shouldn't come second to no, no
Said I shouldn't come second to a damn thing
Cause boy you pay attention to her much more
More than you pay attention to me
Wish I could trade places with your phone
So I could feel love just like your own
Cause even if you made the promise
I'd be wrong to watch you keep
Not answering that thing
So remember when it rings

You got a diamond riding for ya (yeah yeah)
Got a diamond riding for ya
Sometimes I wish was your phone
You can listen to my song
The broken promise ring (yeah)
Broken promise ring (tone)
The broken promise ring (yeah)
Broken promise ring tone

At times I wonder if you see me like you use to
I'm going crazy I don't know just how to feel
Maybe I should send the picture message like a post
So you can see my blowing kisses at you all along
But you've been doing me wrong for too long
And I'm a show you what you're missing
Wish I could trade places with your phone
So I could feel love just like your own
Cause even if you made the promise
I'd be wrong to watch you keep
Not answering that thing
So remember when it rings

You got a diamond riding for ya (yeah yeah)
Got a diamond riding for ya
Sometimes I wish was your phone
You can listen to my song
The broken promise ring (yeah)
Broken promise ring (tone)

The broken promise ring (yeah)
Broken promise ring tone
